For those who have Responsibility in Economic Matters

That economists may have the courage to reject any economy of exclusion and know how to open new paths.

Gospel reading: Lk 24:35-48

Disciples from Emmaus and their story about Jesus' appearance
35 The two disciples recounted what had taken place on the way and how he was made known to them in the breaking of the bread.
Jesus' appearance to the disciples in Jerusalem and proves his existence in the real world by:
1) Asking to touch him
36 While they were still speaking about this, he stood in their midst and said to them, 'Peace be with you.' 37 But they were startled and terrified and thought that they were seeing a ghost. 38 Then he said to them, 'Why are you troubled? And why do questions arise in your hearts? 39 Look at my hands and my feet, that it is I myself. Touch me and see, because a ghost does not have flesh and bones as you can see I have.' 40 And as he said this, he showed them his hands and his feet.
